SCHOLARSHIP OPPORTUNITIES:

Acknowledging the significant investment families make by choosing a Principle Approach® education at StoneBridge School, the school offers scholarship funding to new and reenrolling families. This need-based funding is based on the recommendations of the Financial Aid for School Tuition (FAST), a certified screening service. The deadline for the SBS scholarship application is April 13, 2012. You may submit your application online. Go to www.stonebridgeschool.com to the Admissions Page and click on Financial Aid. You may also request a mail-in application through the SBS Admissions or Business Office.
